The wearing of this uniform is supported by the school community including the P&C and student representative body. The uniform policy is in line with Department of Education, Occupational Health and Safety and Health guidelines. For further clarification of the uniform requirements, please contact the relevant Year Advisor or Deputy Principal.

The community has accepted the wearing of school uniforms as part of the School Welfare and Discipline Policy. It is desirable that all pupils wear school uniform for a number of important reasons, including student safety through rapid identification of non-pupils on school grounds. The co-operation of all staff members is required to encourage pupils to take pride in their appearance.

Having all students in uniform provides equity in that all students wear the same, which costs the same. Wearing school uniform promotes pride and dignity in oneself and earns community respect for the individual student and the school as a whole.

Any student who is genuinely unable to comply with the school uniform requirements due to financial reasons should make contact with the school Principal. Arrangements will be made at the school to assist the student to comply with the dress code.
